CHLOE

Aren't cupcakes all the rage these days? Where once in Soho it would be nothing but tarts, tarts, tarts clogging up the streets, now it's whoopie pies, sprinkles and brownies. But it's the sight of Chloe (24, from Taunton) and her little boobs rising after a little bit of heat that's got us going. And she's certainly been stirring up her fanny batter at the thought of keeping us sweet.

Sexy swinger

My boyfriend and I wanted to try out our sex swing, so we invited Mark and Steve over.

I poured us all a drink while my boyfriend went upstairs to set up the sex swing. By the time he came back downstairs I was already sucking a huge cock and wanking the other one!

My boyfriend said nothing, just walked over and started licking my pussy.

The cock in my mouth was making me gag it was so big, then I suddenly felt my boyfriend's cock inside me, hot and throbbing and he whispered in my ear how much he loved seeing me being gagged by a fat cock.

Sticky quickie

Shameless – that's my mate Isabel. I've lost count of the number of times she's peed in public, nipping into a dark corner – sometimes not dark enough – and exposed herself to passers-by and fuck knows how many CCTV cameras, and on top of that she's a massive slut too. And last week, she outdid herself.

We'd been to a drink-up where she'd run into an ex. She'd have gone home with him except he's got a new girlfriend, but he was up for a knee-trembler outside the pub.

Later on, we were on the tube home, sat opposite these two fairly fit lads. They were eyeing us up but when Isabel started crossing and uncrossing her legs – slowly – they were just staring at her crotch.

Then I realised she didn't

I asked had she given them to her ex – no, she just hadn't bothered wearing any to start with. She didn't want a visible panty line under her tarty dress, apparently.

It didn't put the lads off any – when we got off at our stop, they followed us and chatted us up, laughing off Isabel's accusations that they were stalkers. We sort of paired off – Isabel with the louder of the two guys, Dan, while I ended up with Sean.

The tube only took us so far and Isabel said no way was she walking a mile in her heels. The cab was going to be 15 minutes so we went outside for a fag. Well, I did – Isabel had something different in mind! As Sean and I lit up, she and Dan were up against the wall, snogging.

Dear Julia

My wife Kim is 44 and has 36G tits. A few months ago, she received a misdirected text thanking someone for letting him fuck his wife. Kim replied telling him she was a married woman but received a cheeky message back saying if we ever fancied a three-way we should get in touch by sending a picture of her tits to show we were serious. I agreed to this bit of harmless fun but the mystery texter's demands were such that after a month we ended up

I'm sure Aston (vol 32 no 2) could score with as many guys as she likes in 90 minutes. It depends on the various permutations. 90 men bang her slit for one minute, 45 men for two minutes, 30 men for three minutes. But if she has every hole filled, 180 men could bang her for a minute (etc etc...)

SWINGERS' DINNERS

**St John
London EC1**

Not for the first time, Julia Jones gets stuffed down at the meat market

Nose to tail eating? Well, I've had my face in more fundaments than I've had hot dinners, so where better to satisfy my cravings for oral satisfaction and fleshly pleasure than Fergus Henderson's shrine to offal and weird cuts of meat. Cheeks, bone marrow and trotters are on every respectable gastropub menu in the land now, but the haute baryard trend started here, back in 1994, when most Britons were stuffing themselves with Ross Steakhouse Grills and Alphabites.

The ex-smokehouse is just a trotter's throw from Smithfield market where enormous men still lug around carcasses in the morning like early bird serial killers. I went with pal Mike, only too keen to prove his maleness by feasting on pig spleens. Inside, whitewashed walls and stark décor belie friendly service and distinctly unaustere comfort eating.

Every good experience starts with head,

gamey trembling pile of succulence, partnered with a 15-tog pillow of buttery swede, while Mike's slippery, pleasingly al dente ox heart was matched to perfection with rustling chips and punchy aioli.

A couple of bottles of claret and all this good food was making me pretty horny so we retired to the toilet, the spartanness of which matched the dining room. It wasn't hugely conducive to inter-course intercourse. Still, Mike feasted on

my choicest cuts while I extracted the marrow from his bone, in honour of the regrettably absent bone marrow and parsley salad from the menu.

By the time we returned, flushed with exertion, our puddings had arrived, along with a couple of quizzical looks from diners. Hats off to the professional staff though, for discreetly letting me know

my skirt was tucked into my knickers. Thanks for nothing, Mike.

EVERY GOOD EXPERIENCE STARTS WITH HEAD - VEAL HEAD

I've found, so that's what I plumped for: veal head. With the reputation of this place, I was mildly disappointed I wasn't served a severed calf's head with a spoon – instead I wolfed down tender fragments of meat in a creamy, winey sauce with potatoes and rocket. Mike's good experiences often end in crabs, but this time he started with them, on St John's rightly famous toast.

Wine-braised hare was a peppery,

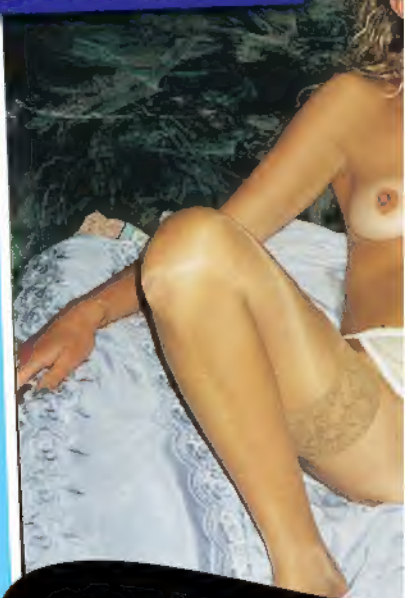

Not surprisingly for such a quintessentially English restaurant, puds are fab. Honeycomb ice cream with shortbread and a rhubarb crumble soufflé, I think. I spilt claret all over my notes.

Highly recommended.

REAL WIFE SEX

Bailey.
Hull

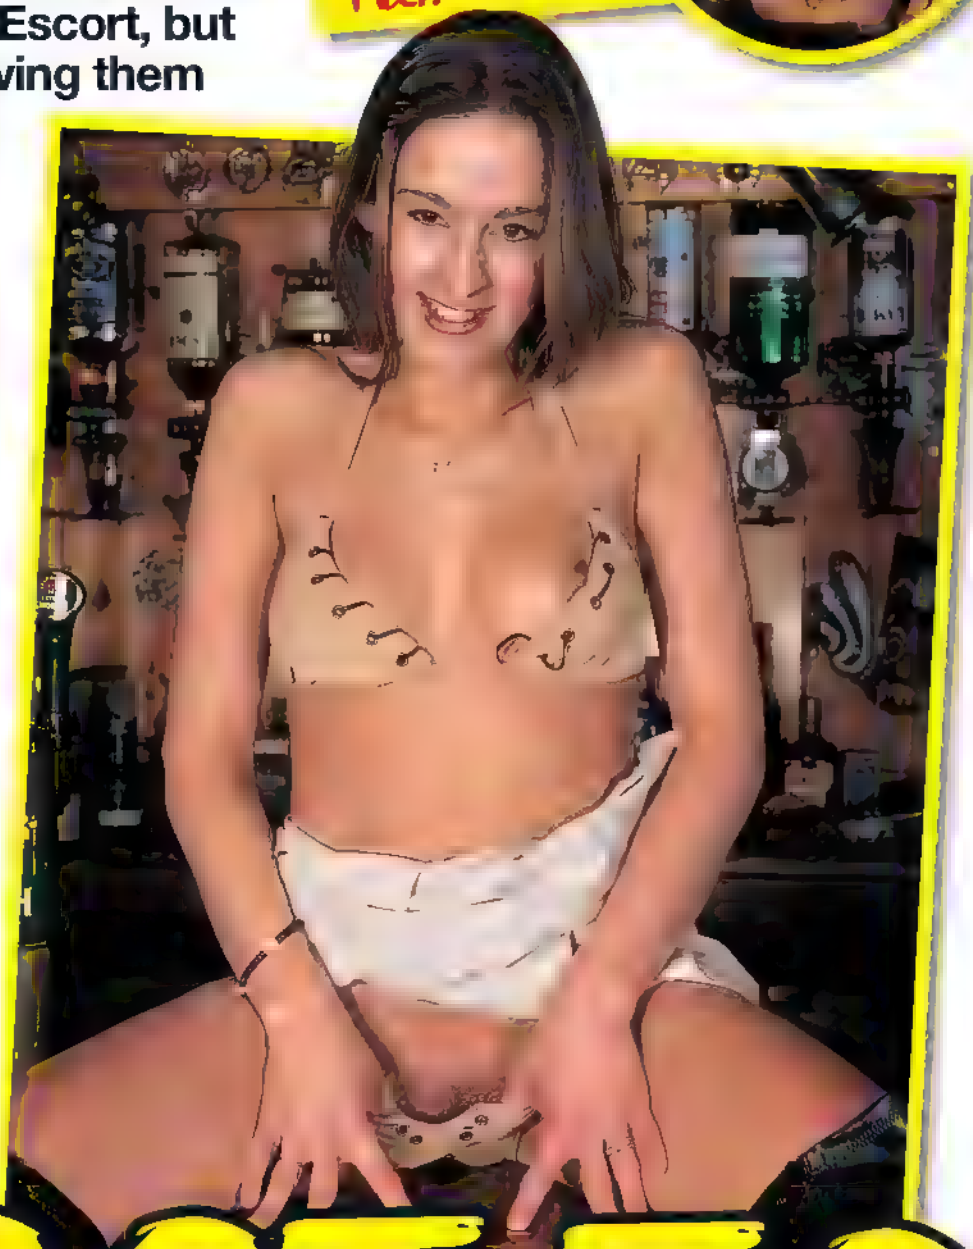

Snapper Martin loves finding new girls for the pages of Escort, but not as much as screwing them

Having been a photographer of models for years, nothing's as satisfying as finding a brilliant newcomer – or two. I'm always professional, which means behaving like a gent, but that doesn't stop me getting my girls to push themselves to new limits.

The other day I booked two models, Bailey and Emy, who are both 19. I'd snapped them both before separately – they've been in Escort before, under different names. Bailey's cute, but dirty with it, and has got some of the perkier little tits I've ever seen. Anyway, I'd decided to see if they'd be up for a girl-girl shoot together. It was a no-pressure thing – if they agreed to give it a go, I told them they could just take it slow and have a bit of fun. They could stop any time if it didn't feel comfortable, or they weren't completely happy with what was going on. I think it was this that swayed them into agreeing, which they both did pretty much immediately.

On the day of the shoot, they both arrived and I ushered them into the 'dressing room' – a small box room I'd had done up for the models to get dressed and do their hair and make-up. Even porn models need a bit of privacy!

Once they had both had a coffee, and had got themselves ready, I called them to the set and told them to pose together for a few intro shots, then start undressing each other slowly, playing to the camera. Emy was definitely on edge – the way she fumbled with Bailey's bra-strap you'd have thought she was

SHOOT TO THRILL!

burrowed her head between Bailey's thighs to give her a licking. And Bailey started moaning so much I wished I was filming them, so I could get the sounds too. She had her hand in Emy's hair, pulling her mouth hard onto her twat as she ground away. I started to wonder if she'd ever let her back up for air.

Bailey came hard, juicing into Emy's mouth, then just lay there all sticky, sweaty and trembling – with pleasure this time. But when I told her I wanted to see

**She whimpered

Emy cumming, she immediately slid into position and began to give as good as she'd got.

When Bailey turned round to give me a grin, her mouth was dripping wet with fuck-juices. The way Emy was whimpering as Bailey tongue-fucked her, she sounded like she was having the time of her life! So when Bailey slid her fingers into her twat, Emy looked like she might explode! She started moaning loudly immediately, but as soon as Bailey upped the speed, Emy almost screamed the studio down with pleasure! After a few minutes, Bailey loudly sucked all the juices off Emy's clit, and began to kiss all over her sticky mound. I wanted to join in more than anything, but that's not the

a bloke! When I gave instructions like I normally do with a two girl, it just seemed to get them more flustered, so I decided just to let them get on with it, and just offer the odd word of encouragement.

Anyway, a few snogs later, they were wrapped around each other on a bed in my studio, one of Bailey's legs clamped in between Emy's thighs. "You know, you're already soaking wet!" Bailey said to her, in between kisses.

Emy's obviously into tits. She couldn't stop playing with her own until she got Bailey's out of her bra. Then she couldn't stop playing with those, and sucking Bailey's nipples, getting saliva all over them. Then, when they'd stripped off,

**She kneaded her

she just straddled Bailey, kneading her ample boobs like dough and rubbing her moist pussy all over Bailey's stomach. She got so carried away I had to ask her to kiss her way down Bailey's body, so I could get a few shots of that. Bailey was already frigging herself by the time Emy reached her crotch. Her fingers were in her cunt down to the knuckle, and she pulled them out to give Emy a taste, which Emy did without hesitation.

I couldn't believe Emy had never done girl-girl before, just from the way she

CATH

Angelic angle grinder Cath has obviously learned something from Bob Crow, downing tools and taking a "well-earned" break after working for five minutes. She's keen on picking tools up again, as long as they're of the hot and veiny variety. Fancy joining a union with us, Cath? "If that means I can get porked from nine till five I'm up for it. Cockless pair

Things haven't been great for me and my best mate Penny recently - no cock to speak of. We're also skint, so we decided to cheer ourselves up with a bit of a pampering session.

Pen stripped off for a massage on a lilo on the kitchen table, which was great but I used about three times as much oil as I should have. My hands were sliding all over the place, including where they shouldn't have, and

which she was finishing off with a foot massage.

My foot was in her lap, and I realised my heel was right up against her mound as she played with my toes. I don't think she even knew she was doing it, but when I started pushing against it, just really gently, she seemed to like it.

Soon I stopped being sneaky about it - I was kneading it against her and she actually parted her thighs, just a tiny bit, so it slipped further down. It must have been pressing her labia

much this was doing for her - I could feel how warm and moist her cunt was against my foot through the gusset of her knickers.

I pointed my big toe and used it to pull on the elastic - Pen took the hint and yanked it to one side. Then she grabbed my foot and started playing my toe up and down her slit. Just as I wondered how far this would go, she pulled on it, so my toe sank right into her pussy.

I'll admit it started feeling weird at that point - there I was with my big toe jammed right up my best mate's cunt as she fucked herself with it. Her juices were running, warm and sticky, down my sole and she was moaning away like she was on the edge of her first-ever orgasm. But if it felt good for her...

I just decided to join in the fun, squirting massage oil on my fingers and sinking them into my own cunt. I always tremble slightly when I'm getting close to cumming, and Pen seemed to like the

way my foot was shaking against her slit.

I realised that what she was doing to my foot was getting me there quicker - the feel of her hot hole clenched around my toe was such a turn-on.

Pen was first to cum and I yelped as she pulled my foot hard against her crotch. At last my toe slipped out, soaking wet, and she brought it up to her mouth so she could suck on it. That's what really did it for me - I moaned at her not to stop as I fingered myself hard and fast, juices flowing out of me as I wanked myself to orgasm.

We didn't sleep in the same bed

when she tried to roll over on her back, she nearly slipped off.

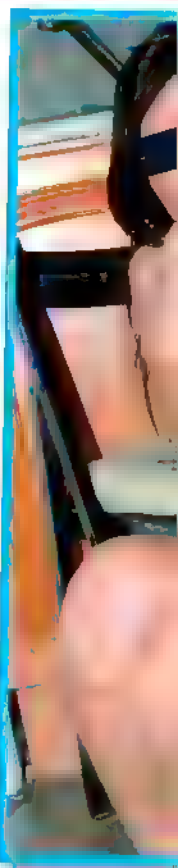

She was topless and laughing so hard her tits were jiggling about all over the place and, for a joke, I grabbed them and gave them a rub, which just set her off even more.

Nothing happened between us until later, though. Pen had been giving me a pedicure,

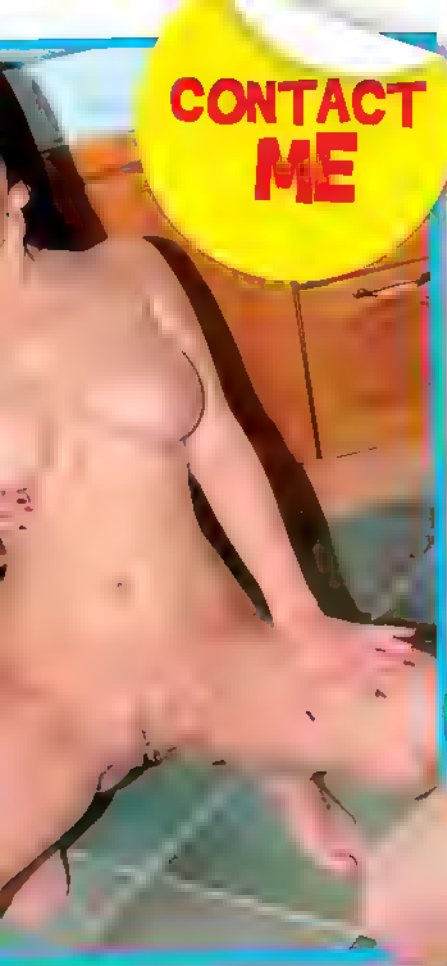

against her clit.

A couple of seconds later she looked up at me, like she couldn't quite get her head round what was happening. Our eyes locked, and I started pumping my heel harder against her. Just when I thought she might freak out, she spread her legs even wider and used her hand to move me against her.

I soon realised just how

that night, and we haven't talked about it either. I wouldn't say no, but I've been fantasising more about foot sex with a man.

By all accounts, Saint George was really Greek and what with the English vogue (in the Escort office anyway) for kebabs, anal sex and hating the Germans, that sounds about right. Apparently he never bested any dragons either, although, by George, we'll be slaying a few flagons on his saint's day with Autumn here. "I think we English have got a lot to be proud of – warm beer, balti and readers' wives for a start! I think English blokes are the most up-for-it in the world too. Let's see how many I can suck and fuck after a St George's night down my local!"

Big wobbly jugs you say? Great four-pint pots of finest cream, sir? We think Brooke fits the bill, although it's your sickly skimmed milk she'd rather squeeze out, right into the deepest of valleys we've seen since a rather messy trip to Arizona a few years ago (ask the wife). "It's a real act of love for you to fuck my big titties," the Derby dazzler drawls. "In some ways, I get more turned-on by you fucking my big tits than my tight pussy." Can't we do both?

Ho contest

My mate Sandrine and I have had a couple of boyfriends in common, and one night she was boasting about one of them, Mark, saying how he'd told her she gave the best blowjobs he'd ever had.

lightly. We told him to come over and decide once and for all. And he wasn't going to say no to two women intent on giving his cock the best sucking ever, was he?

When he arrived, we all got naked. Mark had it all worked out – we'd each suck him for one minute stretches, swapping back and forth until he came.

Whoever was sucking him when he shot his wad would be the winner.

I won the toss – no joke intended – to go first, and spent it wanking him to total hardness before handing over to Sandrine. She immediately straddled his face and started sucking him in a 69.

"You cheating bitch!" I hissed, but she ignored me, and Mark was too busy sucking her snatch to take my side.

She stayed where she was when I took over, grinding her dripping hole against his

with her tongue. He was already close and, as she got sucking again, I saw his shaft start to spasm. His nuts looked so full and ripe, and as Sandrine wasn't giving them any attention – in her position, I'd have been using my fingers to tease them – I bowed my head and started to lick them, sucking them into my mouth. Sandrine gave me a "Who's the cheating bitch now?" look, but didn't stop sucking Mark's prick, not even when her minute was up.

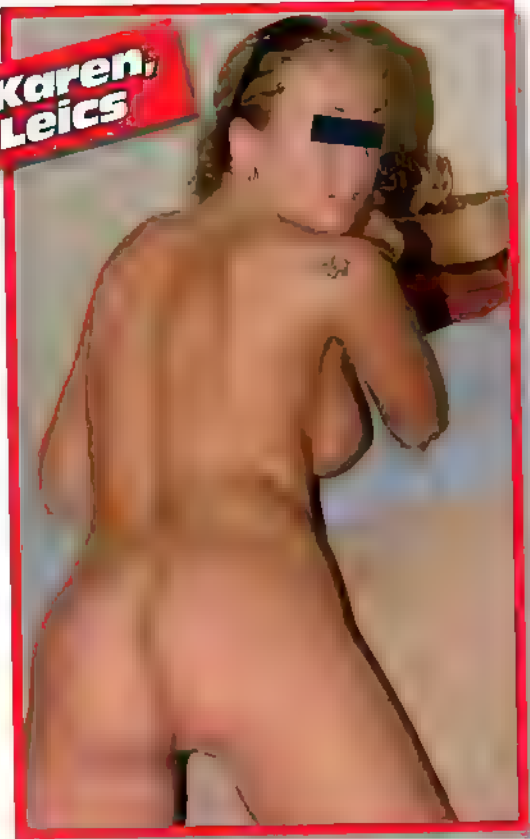

"My turn," I said, but she took no notice. When she paused for breath after sucking Mark deep, I brought my head up and started to lick him. Neither of us would let the other get in close enough to suck him, so we ended up with tongues tangling round until he spunked.

Then our "battle of the blowjobs" ended up with the pair of us trying to swallow as much as we could.

Mark said we both give brilliant head and refused to say who'd won. Anyway, my new man loves my dick-sucking!

"That may have been true at the time," I said. "But he dated me after he was with you, right?"

She said that made no difference and bet me £100 she sucked cock better than I did, and there was only one way to find out. Not a fight, just asking Mark!

He said he couldn't remember – yeah, right. But we weren't letting him off

mouth. In a way, she was helping me – Mark kept thrusting in time with her, each stroke getting him closer to cumming. But we kept on switching back and forth, Mark somehow managing to hold on to his load.

After about ten minutes, while it was Sandrine's turn, I heard her moan, "Mmm!" She pulled her mouth off Mark's cock, then started flicking it

We commemorate the crucifixion of Our Lord and the sins that he redeemed for us by committing a few more.

In time-honoured Escort style we started by stripping the wonderful Jaye, smearing her in eggs and cream and offering her buns and a chocolate crack pipe to suck. It was a really Good Friday.

"I'll be stuffing my face all weekend, but it won't be with hot cross buns, in case you hadn't guessed," grinned a glutton and slightly green-gilled Jaye. "After this lot I'm going to stick to cocks... and lots of them! I can't wait to get started!"

Big Ron some
morning glory!
What a wake-
up call!

Dear Escort,
I thought I would drop you a line and let you know how much fun we have been having through your contact section.

I've been texting a guy called Ron over the last few months and we finally decided to meet him in a hotel in Birmingham, where he was staying on business. My hubby and I also booked a room, but we didn't let Ron know this in case we didn't like each other after all!

Waiting for him in the bar, I was still texting him, asking him if he had a nice big cock waiting for me. I described what I was wearing - black PVC bra with a matching thong, some hold-up stockings and some very high black leather boots (Ron had previously told me how sexy he found women wearing boots, so I had worn them especially for him). Over the top I had a black mac.

He finally arrived looking very nervous and asked us if we would like a drink. While he was at the bar I had a good look at him - I liked

what I could see!
Tall, not bad looking
and well built.

As we made small talk, I crossed and uncrossed my legs slowly so he could get a flash of my stockings. Ron commented on my boots, telling me how sexy they looked.

I moved my leg closer so he knew that it was OK to touch me, and he started to gently rub my thigh. I opened my legs so he could have a proper look at what I had to offer him!

My hubby saw it

A RUDE AWAKENING!

was OK to leave us alone, and went outside for a cigarette. While he was away, I leaned forward and let Ron see down the front of my mac – his hand went straight in there! I felt his fingers touch the outside of my bra, then he bent forward and kissed me.

As we were kissing, he put his fingers inside my bra, squeezing my nipples and stroking my tit. This had got me very damp – I really wanted Ron to fuck me right there! So as soon as my hubby got back from his cigarette, I dragged them both up to our room.

Once back in the room, my husband poured us all a glass of wine and I finally let Ron have a proper look at me. I stood in front of him, undid my mac and let it fall to the floor. He buried his head in my cleavage,

frantically pushing in and out. I was in heaven!

Next thing I knew, Ron was on top of me, his hard cock driving into my waiting cunt. He had really good rhythm – he pumped and pumped in and out until I couldn't hold on any longer and I let myself gush all over his slippery pole.

Begging him to go harder, he groaned and then exploded his lovely spunk all over my swollen fanny. My panties were soaked and his hot creamy spunk dripped down my legs.

Exhausted, Ron went to his room to sleep. I didn't mind though – this meant it was my hubby's turn to fuck me. He loves to shag me straight after someone else has!

Next morning, my hubby woke me up with the

saying how pert my tits were, his rock hard cock pressing against me.

I pushed him back on to the bed, knelt in front of him, undid his zip and let his big cock spring out.

I started to suck on his juicy prick, licking all round the rim and up and down the shaft. I buried my face in his balls, manically sucking them.

He suddenly pulled me on top of him, and we kissed passionately. Meanwhile my hubby was sitting in the chair watching us with his hand on his cock, slowly wanking himself off.

Ron turned me over, sliding his fingers up my soaking crack. I was so wet by now as Ron shoved his digits into my pussy,

words "Big Ron's waiting for you!" I jumped out of bed, threw on my mac and went across the landing.

Straight away Ron's door flew open – he grabbed me and pushed me against the wall, lifted me up by the buttocks and filled my wet cunt with his stiff cock, slowly moving in and out, building up the rhythm until he was slamming in to me and spurting creamy hot jizz deep inside me.

When we had both cum, we laughed and decided it was the best wake-up call ever!

We keep in touch with Ron, but are hoping for even more guys to come along next time, so get in touch if you're up for it!

Donna,
Birmingham

REAL WIFE SEX

Martin's story continued from page 19

When they finally decided to leave, they asked if they could borrow a few of the toys to take back to Emy's place. My prick was drilling a hole in the front of my jeans by the time they left, so I grabbed a couple of test shots I'd taken of them with an instant camera and prepared to wank myself stupid.

Then there was a knock at the door. "You didn't think we were going to leave you in that state, did you?" said Bailey, pointing at my hastily covered up bulge in my trousers. "Come on, let's sort you

way I work. Instead, I chucked a few sex toys over to them.

Bailey started working a vibrator in and out of her cunt straight away, but Emy took over, sticking the biggest dildo up Bailey's snatch instead – jamming in all but the base of it, so her fingertips almost slipped inside with it. The way Bailey was squirming and groaning, and from the look of pure pleasure on her face, I could only imagine that the rubber was catching her G-spot just so. She began fondling her own tits, scooping up the juices soaking her entire crotch and smearing them on her nipples as she came.

Bailey was such a fast learner. She recovered to find Emy frigging herself hard with the same dildo, so she grabbed a smaller, thinner one, lubed it up by sticking it in and out of her own twat, then fed it up her new mate's arsehole.

I saw Emy stiffen up at first, but as Bailey gently worked the dildo in and out, stopping to lick every so often, Emy gradually relaxed and got into it. Bailey thrust the plastic cock in and out of Emy's tight puckered hole, watching her

pussy juice dribble down Emy's crack and down the length of the toy. Bailey licked and sucked up the cream noisily, all the while continuing to fuck her mate's arsehole with the toy, encouraged by all of Emy's whimpering and groaning. When she started using a vibe on Emy's clit at the same time, Emy screamed the place down, her entire body thrashing around like a beached fish.

**She scooped up
and smeared her
juices on her tits**

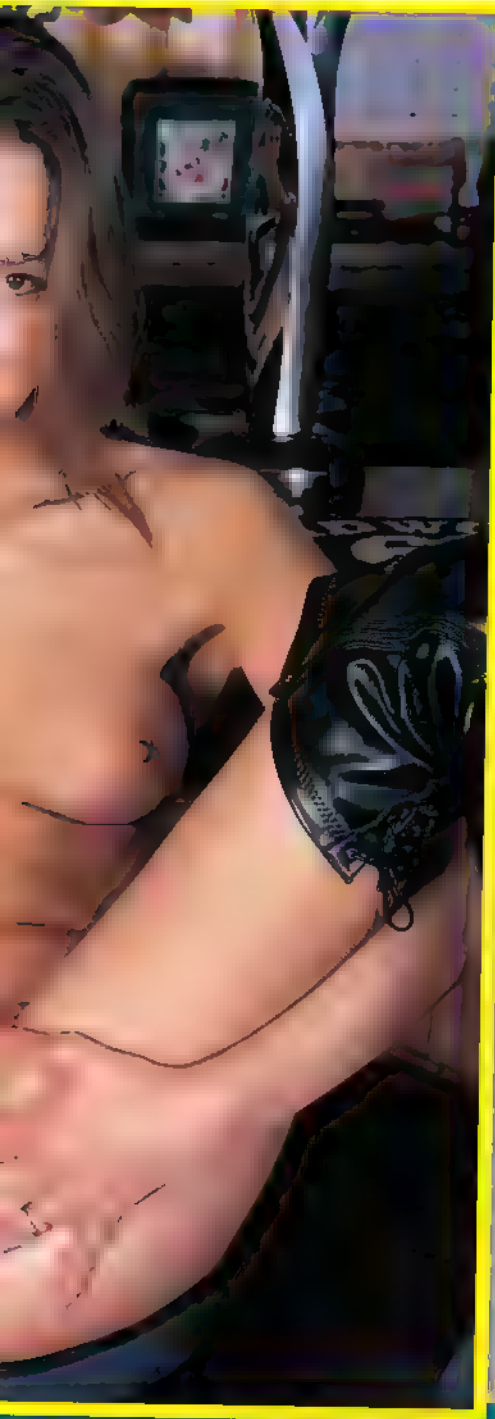

I just carried on taking pictures until I must have had about a thousand shots (which even the most demanding editor would never ask for), then I watched as they brought each other off again. Even if I'd wanted them to stop, I don't think they would have – I certainly didn't want them to. I wasn't even looking through the viewfinder any more. My finger was glued to the shutter button hoping that they didn't realise I was just having an out and out perv now!

out." Emy and Bailey knelt down in front of me, released my fuck stick and took turns to suck it. When I was ready to burst they both French kissed – with my dick stuck in the middle. That was more than I could handle in my state and with a groan I started spurting hot cum all over their twisting, writhing tongues. The girls smacked their lips, picked off the odd strand of jism from each other's mouths and waved me good bye.

I'm a pro, but I've got to enjoy the perks of my job sometimes!

Torque dirty

A few months back, I had a fling with a rich bloke, Louis. He was a bit of a petrolhead, and one day I went with him while he test-drove a huge classic car.

We had it for the afternoon and he had more than motoring on his mind!

The back seat was huge – bigger than my couch – and that was our first stop. Me on my back with Louis ploughing away between my spread legs, Louis sucking on my tits as his cock slid in and out of my juicing twat.

He shot a big wad up me, mopping my juices up with my knickers so I wouldn't mess the seat. He did at least leave the car when he needed a smoke but I just laid back and played with myself for a

bit while he watched me through the window.

When he got back in again he said we'd best return the car, but I told him I wasn't going anywhere or getting dressed until he'd fucked me again.

Louis's favourite position was with me sitting on his lap, either bouncing on his cock myself, or just letting him shag up into me. So he sat in the passenger seat and I got into position, taking his prick up my twat once again.

I squirmed around and he asked did I have my heels on. I didn't, so he had me put my feet up on the

polished-wood dashboard.

It felt solid enough though my feet were barely touching it as Louis held my legs

up behind the knees. He was humping up into me and my pussy was so wet his prick kept slipping out.

Slut's magic

By the time I finally got it together with my sexy lesbo girlfriend Martha, the anticipation was running pretty high!

My first thought when I arrived at hers was how slutty she looked, and how much it suited her! She had on

high heels, a miniskirt short enough to flash her stocking tips, and a low-cut top about two sizes too small.

One drink and a quick chat later, we were kissing and feeling up each other's curves as we undressed. She has bigger boobs than me, so I had fun playing with them, cupping them as I gently

licked and nibbled her nipples to full stiffness.

She had a good feel of mine too, and my arse, but was obviously impatient to play with my pussy. So I spread slightly and let out a moan, coaxing her to slip her hand between my thighs.

I did the same to her – she was so slick and warm against my fingers. And soon I was tasting her for the first time, as we sixty-nined on her bed with me on top.

I love to be licked, and her tongue felt so amazing flicking my clit then pushing up my fuck-hole. My orgasm was building and from the noises Martha was making – and the

pulsing of her pussy against my tongue – she wasn't far off either.

With my crotch planted over her face, I just had to splay to take her tongue as deep as I could as I came. Meanwhile, I saw her toes point and felt her legs stiffen, her thighs squeezing on either side of my head, pinning me where I was.

Not that I minded having my face jammed in her sweet snatch!

I already knew she was into toys so it wasn't a shock when she brought out a

She was chuffed that I was up for it – some girls said no

or bottled it after saying yes, and when she asked could she do me from behind, I got on all fours with my arse tipped up ready.

She didn't just fuck me,

A couple of times it touched up against my arsehole, and he asked me could he go up there instead. He knew I'd say yes – I'm as much of an anal fiend as him!

He wet my opening with my pussy juices then slowly slid up inside it, right down to the hilt. There was me, sat with my tits on display, my pussy spread and a thick tool rammed up my arse.

Louis rubbed my clit as

he ground up into me and I started to cum almost instantly. I braced my feet against the dashboard and as his hands splayed my bum cheeks wide, he flooded my arsehole with jet after jet of warm spunk.

Later, I realised I must have left my knickers in the car at the showroom – I hope that whoever found them got a thrill from them!

Sasha, Surrey.

she used it to excite me, playing it against my slit and sometimes barely thrusting in or giving me the whole length of it.

Then, when I snatched a vibrator from her "box of tricks" to use on my clit, she really gave me a good seeing-to, pummelling my flowing hole until I came, which only took a couple of minutes.

Feeling self-conscious about how loud I was screaming, I buried my

face in the pillow, but she grabbed the back of my hair and pulled it till I was moaning out loud again, my face contorted with joy.

She gave me the best fucking I've ever had off a woman that night, and we're going to meet up again, at mine this time.

I asked her if she would bring the strap-on and she says "Yeah – so you can fuck me with it this time." I can't wait!

Michaela, Southend.

Long 'n' hard

My girlfriend Sue loves to go out with her tits on show, no knickers on and very high heels.

She knows how much it turns me on when guys and girls flirt with her and ogle her boobs.

One night we were in this hotel and she was being really flirty and showing off her tits. This young couple couldn't stop looking at her and I knew how much it would be turning her on.

Next thing we knew, we were all chatting. Dave and Jane and us were all getting on well, that Sue invited them back up to our room.

The three of them went up and I quickly paid the bill and got us some more wine. When I got back to our room, I opened the door to find that Sue had wasted no time getting started!

I could tell that by now Sue just wanted to be fucked long and hard, so she bent over and let Dave slide his massive ten inches all the way I to her wet hole, banging away at

her with his balls slapping her pussy with each thrust.

Sue then told Jane to finger her arse, which pushed Sue over the edge and she was soon gushing her cream over Dave's prick as he continued to slide in and out, until he pulled out and shot his hot jizz all over Sue's arse, and some in to Jane's eager mouth.

Jane and Dave couldn't stay long as they had a train to catch. So we swapped numbers and they left me and Sue to have our own dirty time.
